ORDER

GREGORY H. WOODS, District Judge:

As described in the Court's June 23, 2020 order, Dkt. No. 43, the defendant provided an *ex parte* submission to the Court. The defendant has since submitted another letter to the Court, which the Court has directed to be filed on the docket of this case. In the Court's June 23, 2020 order, the Court requested "the defendant inform the Court of the defendant's position" regarding the defendant's consent to proceed by electronic means. *See* Dkt. No. 43 at 2. And Dr. Sours Edwards wrote the Court on that topic in the letter that the Court expects will be posted to the docket during the day tomorrow.

For the sake of clarity, the Court does not invite communications from Dr. Sours Edwards directly. As a general matter, the Court expects that all communications from and on behalf of a party will come from their counsel; the Court does not generally accept *ex parte* submissions from parties. The Court's order was written with the expectation that counsel for the defendant, not the defendant herself, would respond to the Court's inquiry on her behalf. Again, the convention is that that represented parties address the Court through counsel, and that counsel provides written submissions to the Court on a party's behalf. Going forward, the Court hopes that the parties will be mindful of that default principle.

In order to discuss Dr. Sours Edwards' June 23, 2020 *ex parte* communication with the Court, the Court wishes to hold a conference. Accordingly, it is hereby

ORDERED that a conference is scheduled for June 29, 2020 at 11:00. The conference will take place by Skype for Business videoconference. To access the conference, paste the following link into your browser:
